

Upon logging in, you'll see a tab that reads **"MY PURCHASES"** in your User **Dashboard** Panel. Here's where you'll be able to **get access to the electronic item(s) you've purchased.**

If you haven't purchased any items, a message indicating **"Sorry, you don't have any purchased content to view/download"** will be displayed. You'll have the option of seeing the item(s) we have available and proceeding to checkout.
